***Michael Colgrass***

NYSBDA has commissioned Pulitzer Prize winning composer Michael Colgrass to write a piece to be performed at our 30th anniversary Symposium in March of 2011. NYSBDA members have the opportunity to either make an individual donation or to have their school join the consortium in this exciting project.

***The New York State Band Directors Association (NYSBDA) is an organization established for the purpose of aiding the development of active professional band directors in public/private schools and universities in communities throughout New York State. It is a non-political organization founded with a genuine spirit of dedication. NYSBDA invites those who can commit themselves to the objectives outlined in its constitution to become actively involved in the association.***
